for directions. First, we will discuss setting some plans and goals for Chapter 192 and then celebrate the 70th anniversary of the VJ Day, the end of WWII with our own WWII veteran, Jim Young, who flew 44 Bomber missions including Normandy.

Then for those that are able to stay, we will join the Camp Evans Spirit of 45 activities which will include a ceremony to honor those lost and either guided or self guided tours of WWII displays of the military technology, uniforms, equipment, and model battle panoramas.

At the last NJ AFA quarterly meeting, June 6th, D-Day plus 71 years, Cole Kleitsch, VP 195, gave a talk on the Spirit of 45 campaign and showed some of the Spirit of 45 posters of WWII heroes and heroines which include Medal of Honor winners, aviators, WASPs, and chaplains. See the photo taken with Jim Young on the left and Ted Barnas on the right.
